Notice of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number. All claims must be submitted within 90 days from date of incident or they will be denied. Circumstances may exist in which this is not always possible. Any submissions after 90 days will be considered based on those circumstances.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss and give authorization to release medical records.

Proof of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, will proof of loss be accepted if it is sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the delay or termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment of Claims: Benefits for loss covered by the Policy, other than benefits that require periodic payment, will be paid not more than 60 days after We receive proper written proof of such loss. Benefits for loss covered by the Policy that require periodic payment shall be paid monthly provided that We receive proper written proof of such loss.

Payment of Claims: If the Covered Person dies, any death benefits or other benefits unpaid at the time of the Covered Person's death will be paid to the beneficiary. If no beneficiary is on record with Us or Our authorized agent, payment will be made to the first surviving class of the following to the Covered Person's: 1. spouse; 2. children, in equal shares (If a child is a minor, benefits will be paid to the legal guardian); 3. mother or father; 4. estate. If a benefit due is payable to: 1. the Covered Person's estate; or 2. the Covered Person or a beneficiary who is either a minor or is not competent to give a valid release for the payment, We may pay any amount due to some other person. The other person will be one who we believe is entitled to the payment and who is related to the Covered Person or the beneficiary by blood or marriage. We will be relieved of further responsibility to the extent of any payment made in good faith. We may pay benefits directly to any Hospital or person rendering covered services, unless the Covered Person requests otherwise in writing. The Covered Person must make the request no later than the time he or she files a written proof of loss.

Beneficiary: The Insured may designate a beneficiary. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change. The Insured is the beneficiary for any covered Dependent.

Assignment: At the request of the Covered Person or his or her parent or guardian, if the Covered Person is a minor, medical benefits may be paid to the provider of service. Any payment made in good faith will end our liability to the extent of the payment.

Physical Examinations And Autopsy: We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

Not In Lieu Of Workers' Compensation: The Policy is not a Workers' Compensation policy. It does not provide Workers' Compensation benefits.

Fraud Warning: If the Insured Person or any person acting on his/her behalf shall make any claim or statement knowing the same to be false or fraudulent as regards to amount or otherwise, then this Insurance shall become void and all claims hereunder shall be forfeited without refund of premium.

Excess Insurance Provision: The insurance provided under both Medical and Evacuation shall be in excess of all other valid and collectable insurance or indemnity and shall apply only when such other benefits are exhausted. In the event no other insurance exists this coverage becomes primary with GBG reserving the right to review and potentially subrogate with any undeclared coverage whether known or unknown to the Insured Person.

Claims in Cuba: are on a reimbursement only basis. Americans must have US government approval and proper documentation when traveling to Cuba or the claim will be denied

Third Party Indemnity: The Insurer may at their own expense take proceedings in the name of the Insured Person to recover compensation or secure an indemnity from any third party in respect of any loss, damage or expense covered by this Insurance and any amounts, recovered or secured shall belong to the Insurer.

All claims arising under this insurance shall be governed by the Laws of the Bailiwick of Guernsey, Channel Islands, whose courts alone shall have jurisdiction in any dispute arising here under.

Payment of loss under this policy shall only be made in full compliance with all United States of America economic or trade sanction laws or regulations, including, but not limited to sanctions, laws and regulations administered and enforced by the U.S. Treasury Department's Office of Foreign Assets Control ("OFAC").
